I. INTRODUCTION

AMD is a Kerala based company being managed by a team who are equipped with extensive trading experience in the fields of Industrial and Agricultural (Sales). The company was established in early 2015 with the intention of providing first class sales that meets and satisfies customer requirements at competitive rates. We have our head office located in Kochi With the strategic location, this allows us to provide better local market coverage within the country with our worldwide-reliable agents who are also operating unique services and allow them to negotiate at good competitive rates.

II. MISSION

The company believes that we are successful only when our customers and suppliers are successful. We will realize this mission by setting the highest standards in products services, reliability and integrity in the industry.

III. VISION

In order to fulfill our mission, we:

- Deliver excellence in every aspect of our business.
- Understand the needs of our customers and match that need with the right product from the right supplier at the right time – every time.
- Strive to build long-term relationships with customers and suppliers based on mutual trust and respect.
- Aim to be a reliable source of timely information that is useful to our customers and suppliers.

IV. OUTLINE

Bright People Right Solutions. The company personifies the value we bring to our clients and that is what distinguishes us within the industry. Our corporate culture cultivates passionate, talented, problem-solvers employees who deliver “big company” resources with industry-leading teamwork and responsiveness. We provide the right solutions by achieving a deep understanding to our client’s businesses and needs. Our client’s business is treated with urgency and respect, and we work relentlessly to meet or exceed their expectations. Our company is organized along with the major service lines of agricultural, manufacturing, government-sector, contracting and services to align with our client’s needs. We have an extensive internal training and progressive program that equips our employees with up-to-date industry knowledge and provides clearly-defined career paths and opportunities. Stewardship of our company, industry, and communities is a key priority. The company is a sustainable, financially-strong business that advocates environmentally and socially-considerate decisions for its clients, employees, and the industry in which we operate. We promote our industry’s growth by sharing knowledge and fostering science and engineering outreach in higher education. We volunteer extensively within our local communities to raise awareness and make an impact on the welfare of our communities and society. After you reviewed the depth and breadth of our company, we are sure you’d be proud to be associated with Luxury Dreams.
